Beautiful dining table

This table is a beautiful example of the skills of Artifort's veneer experts. The round table top is veneered in a star shape, the oval top in a variation on this pattern. The star pattern adds a nice detail to the table. The cross base in stainless steel gives the table its open and light character. A beautiful table to enjoy a nice dinner together with friends and family.

Tabletop:

Material: 25 mm mdf
 Topcoat: Oak veneer transparent lacquered or finished in standard oil.
 Finishing edge: Oak frame transparent lacquered or finished in standard oil.

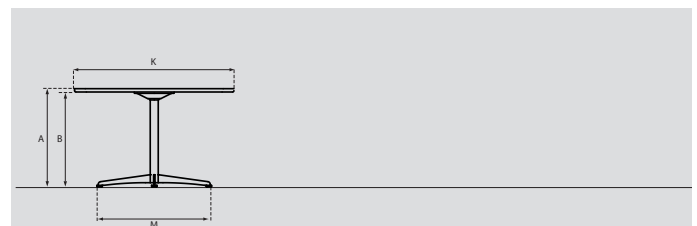

Base:

Height (inkl. tabletop): 74 cm

- Rustless steel with beam P13 - light grey (structure) or P10 - black (RAL 9005) (structure)
- or
- Steel powder coated in P03 - black (RAL 9005) with beam P10 - black (RAL 9005) (structure)
- or
- Steel powder coated in P04 - white (RAL 9010) with beam P23 - white (RAL 9010) (structure)
