

Perching

Artifort®

Studioilse | 2016

Base:

- Base in massive stainless steel Ø 12 mm
- Standard without gliders.

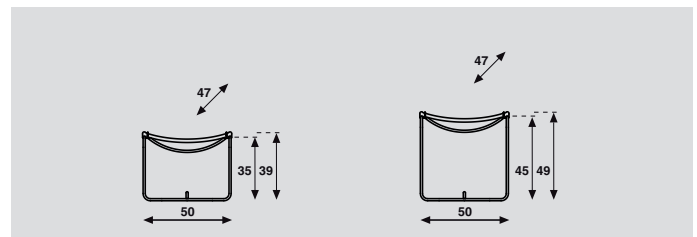

Seat:

- Only available in saddle leather 3,5mm thick.
- The saddle leather is stiched with a round leather cord of 3 mm.

There are four possible combinations in terms of the leather seat and the powder-coated base.

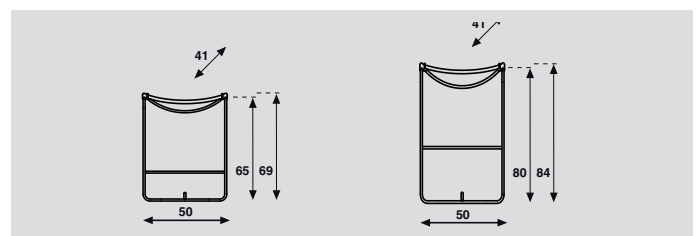

- 1) Leather Naturel with base P81 Cream White RAL9001 (structure)
- 2) Leather Cognac with base P69 Orange Brown RAL DESIGN 050 30 36 (structure)
- 3) Leather Havana with base P67 Chocolate Brown RAL8017 (structure)
- 4) Leather Black with base P57 Black grey Ral 7021 (structure)

The leather cord is the same colour as the seat.
